

---

**Objective**

---

Outline the policy regarding controlled substances in University of Michigan (U-M) vehicles.

**Policy**

---

1. As defined in [SPG 601.29 Alcohol and Other Drug Policy](#), Employees, students, faculty and campus visitors may not unlawfully consume, possess, sell, distribute, transfer or be under the influence of controlled substances while using a University vehicle.
2. Any operator in violation of the controlled substance policy will lose their privilege to operate U-M vehicles.
3. The using department will bear the cost assessed to Fleet Services if the U-M vehicle is towed, confiscated or otherwise taken out of service due to a violation of this policy.
