

Objective

Outline the policy regarding transportation of bicycles in University of Michigan (U-M) passenger vehicles.

Policy

1. U-M prohibits the transportation of bicycles in passenger vehicles (sedans or minivans).
2. Any operator in violation of the transporting bicycle policy will be assessed a clean up fee.
3. The using department will bear the cost assessed to Fleet Services in having an outside vendor detail the vehicle to remove any dirt, grease or marks done by the bicycle.
