During peak times, many routes offer additional service over and above what's shown in the schedule.

For the most up-to-date schedule information, look online at ltp.umich.edu.

University transit routes do not operate on the following University-recognized holidays:

Taking the Bus

Where can I find bus schedule information?

Bus schedules and live tracking information can be found online at ltp.umich.edu. You can plan your ride using the Google transit widget found there, or go to transit.google.com.

How do I catch the bus?

It's easy! Just wait at a posted bus stop sign for the bus to arrive. If you are inside a shelter, please exit as the bus approaches to make yourself more visible to the driver.

University buses are free—no fees or ID cards are required to ride.

How do I get off the bus?

When you're ready to deboard, just pull the cord above the window to signal the driver. Signal about a block before your stop and wait for the bus to come to a complete stop before exiting.

What can I carry on board?

Please secure all items in your lap or between the seats. You can place items in the seat next to you, but please give up that extra seat if someone needs to sit down.

What is not allowed?

- Certain items and behaviors are not allowed on any transit vehicle:
- Open alcoholic beverages of any kind
 - Drugs or any other controlled substances (transporting or consuming)

- Hazardous materials or potentially hazardous materials (see Bio Research Shuttle on pg. 2 for information regarding transporting bio-research materials)
- Unfolded strollers
- Bicycles
- Any item that cannot be stowed outside the aisle or that takes up seat space
- Any item that compromises safety or access for other riders
- Skateboards, inline skates and foldable bikes/scooters may be carried aboard but must be stored outside the aisle. These items may not take up seats
- Pets are not allowed on U-M buses, except for **Service Animals that meet the ADA definition, which are always welcome**

In addition, there is no smoking or vaping (including e-cigarettes) allowed on any University bus.

How safe are the buses?

The bus system is an integral part of the campus safety network and emergency response plan. After dark, it's always safer to ride the bus than to walk alone. Bus drivers have direct contact with the Division of Public Safety and Security. Buses are equipped with first aid kits and fire extinguishers.

What if I lose something on the bus?

Call 734-764-7475 or email transit-lost-found@umich.edu to see if it's been turned in. Please turn in found articles to your bus driver.

On-Demand Services

Bio Research Shuttle

The Bio Research Shuttle now offers on-demand convenience. The shuttle is a shared service intended only for the transport of passengers with bio-research material.

Riders should request pickups via the TapRide mobile app or website:

- Look for the TapRide app in the Google Play store and in iTunes. Once downloaded, choose "Research Shuttle: University of Michigan" and proceed to login with your UMICH user name and password.
- OR you may request a ride on the TapRide website. Proceed to login with your UMICH user name and password. Check it out at <https://goo.gl/xMnCfT>
- If you do not have access to the mobile app or a computer, you may call (734)936-0472.

Riders can watch their vehicle live on the map, receive notifications when it is approaching, and change or cancel their request directly from the app or website.

Service is provided by a University of Michigan van and operates Monday-Friday, year-round, from 8:00 a.m. to 5:15 p.m., with service breaks from 11:15 a.m. to 11:30 a.m., 1:00 p.m. to 1:30 p.m., and 3:00 p.m. to 3:15 p.m.

Paratransit

Transit Services offers curb-to-curb Paratransit services for students, faculty and staff that are pre-qualified through the Office of Services for Students with Disabilities (SSD). Paratransit is a free shared-ride service.

This is a year-round service that operates on weekdays only; service is not offered on Saturdays or Sundays.

Rides are provided within a 3/4-mile radius of the Ann Arbor campuses, as well as the East Ann Arbor Health Centers and Domino's Farms satellite facilities. Pickup times can be scheduled as early as 7:40 a.m. to as late as 10:30 p.m. Overflow rides and all rides after 6:30 p.m. are provided through a contracted vendor (currently Blue Car of Ann Arbor). During Fall break, Winter break, Spring break and Spring and Summer terms, all trips are booked directly with Blue Car.

To register for the rides, contact Services for Students with Disabilities at (734)763-3000. After registering, you can request a ride by calling (734)936-0472 or by e-mailing paratransit@umich.edu.

SafeRide

SafeRide is a free ADA accessible service that transports students, faculty and staff to their residence or vehicle within a one mile radius of campus. Riders may use this service once per evening and must present a valid U-M ID (Mcard). During Fall and Winter terms, this service is available daily from 8:00 p.m. to 2:00 a.m.

An employee from U-M Transit Services will come to your campus location and drive you to your requested location (within a one mile driving radius of Central and North campuses). During non-service hours, alternative service providers may be identified by UMPD.
