

How to Add or Remove License Plates on your Parking Permit Account

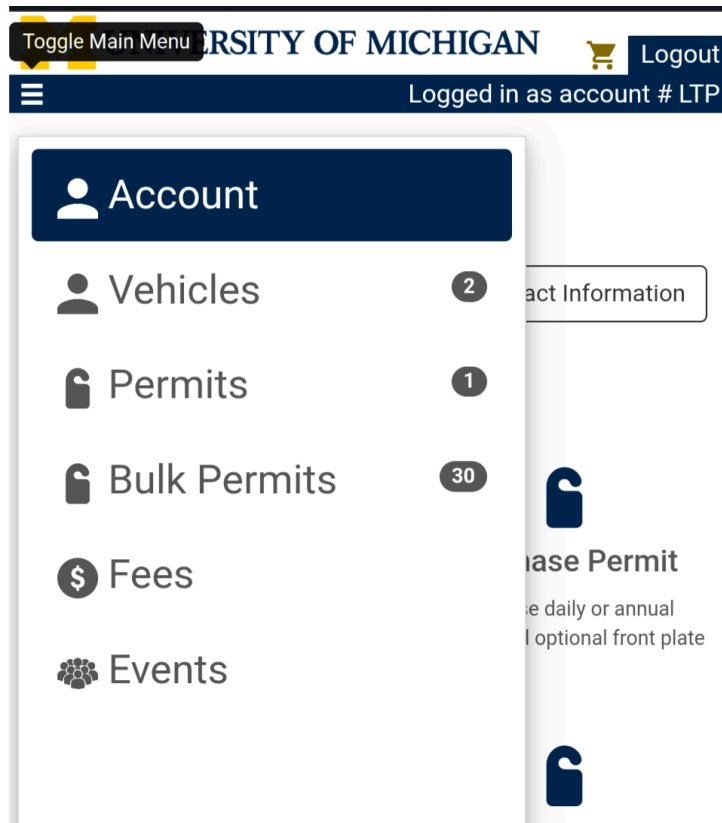

1. Open the MGoPark App and head to the “Resources screen” and tap “Purchase Permit”, or go to umich.aimsparking.com

2. Tap 'Login' in the top right. Then sign in using the Web Login

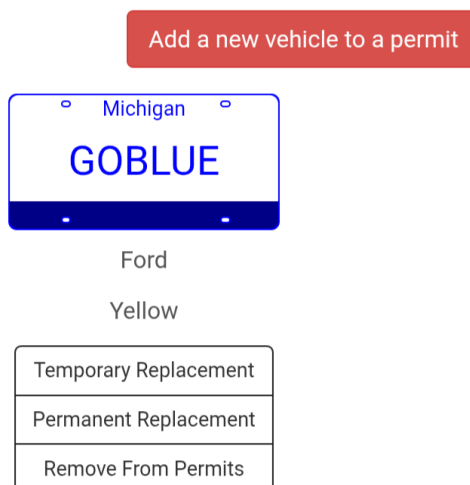

3. Tap the top left Menu () and select 'Vehicles' from the dropdown.

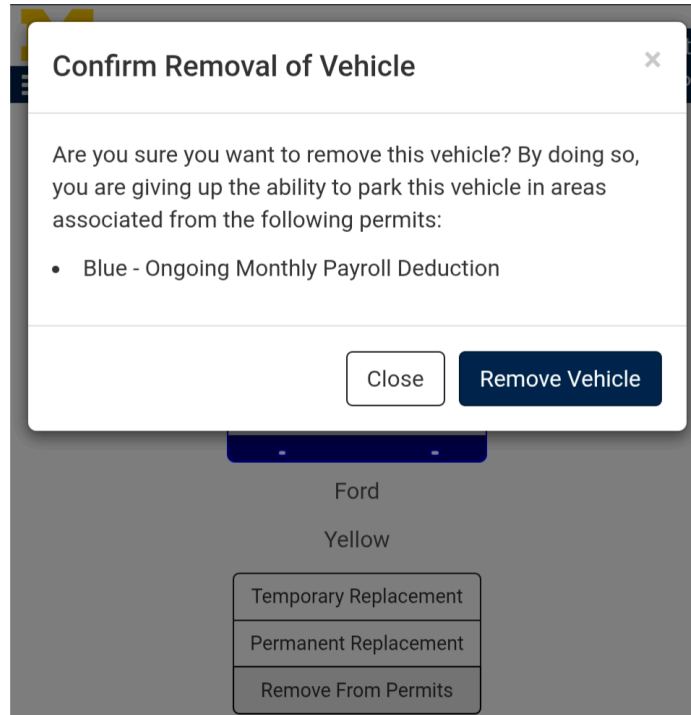

4. From the vehicles screen you can Add or Remove vehicles using the appropriate buttons on the screen.

Vehicles on your account:

5. To Remove a vehicle, you'll have to confirm the removal.

6. To Add a vehicle, you'll need to select the permit you're adding the vehicle to, then enter the vehicle information.
